About the Author, David Michael Curtis (1974-Present)

I am a sinner saved by the grace of God. I have been baptized and I confess that Jesus Christ is the Son of God. I trust in Jesus Christ for the forgiveness of my sins, and the gift of eternal life. I was born in Roseburg, Oregon. I became a Christian at age 19 in 1993. Over the next 7 years, I wore out the bindings of 11 KJV Bibles. Using my own money, I conducted my first evangelistic crusade in 1999. I taught the Bible on the radio 5 days a week on K.O.R.E. Springfield OR (2000-2002). I sold KJV Bibles and children's character-building books door to door in Washington, Oregon, California, Texas, Kansas, Georgia, Tennessee, and New York (1999-2007). I was a volunteer chaplain for a maximum-security prison in Northern California (2005-2007). I have owned/managed 75+ Christian websites since 2001. I was General Publication Manager for Harvestime Books (an international Christian publishing house), from 2008-2010. I have served the church as an elder, a new believers class teacher, and a vacation Bible school teacher.

The tallest trees in the world are the Redwoods in Northern California. The Redwoods share a single network of roots; this root system connects **all** the Redwoods trees together. Which means, the Redwoods forest is also the largest single living organism in the world.

Imagine that each doctrine of the Bible is a giant Redwood tree supported by 30-40 roots (Bible verses). Examine the neighboring doctrines that share a root system (Bible verses) with that doctrine. Understand that under its surface, all the doctrines are connected together by one massive root system within the Bible. My books *show how the various doctrines interconnect and share the same roots, and how they support and depend on each other.*

My books use the Bible as its own interpreter, providing all the verses on whichever doctrine being discussed, topically arranged, without commentary. Christ is the **only** Teacher you need. He promised that you will know the truth and the truth will set you free.

Sexual Crimes in Ancient Israel, Continue to be Sins in the New Testament

Which Sexual Acts Are Crimes In The New Testament?

Acts 15:19-21 Wherefore my sentence is, that we trouble not them, which from among the Gentiles are turned to God: But that we write unto them, that they abstain from pollutions of idols, and from fornication, and from things strangled, and from blood. **For Moses of old time hath in every city them that preach him**, being read in the synagogues every sabbath day.

The Acts 15 Church Council deferred to Moses's definition of what constituted "pollutions of idols," and from "fornication"(sexual immoral acts), and "things strangled," and "from blood."

Therefore, the Acts 15 Church Council, decreed that the laws against sexual immorality given through Moses in Leviticus 18 are still binding upon the New Testament church.

The apostles commanded Gentile Christians to abstain from the same sexual immoral acts that Moses commanded against.

The Acts 15 Council: Gentiles Christians must Abstain From:

1. the pollutions of idols
2. from fornication
3. from things strangled
4. from blood

“For Moses of old time hath in every city those that preach him”

- Moses clearly defined sexual immorality for ancient Israel (Leviticus 18).
- By deferring to Moses at the close of the Acts 15 Church Council, the apostles were instructing Gentile Christians to examine what Moses commanded about sexual immorality and to abstain from everything Moses defined as sexually immoral.

- Gentile Christians are to abstain from the sexual immoral acts commanded against by Moses.
- The Acts 15 Church Council, decreed the sexual immoral acts commanded against by Moses are a continuing binding "law" in the New Testament, for all "Gentile Christians."
- Leviticus 18 defines which kinds of sex is forbidden to Gentile Christians.

The Lord Spake Unto Moses, Saying, (Leviticus 18:1)

Do NOT Have Sex With:

- Your Near Of Kin (Leviticus 18:6)

- A Dog (Revelation 22:15)
- "A dog" is a person who has sexual intercourse with either sex (bisexual)

Do NOT Touch A Woman You Are NOT Married To

1. Touching arouses sexual desire in a woman (sexual foreplay)
2. Which in turn, arouses sexual desire in a man
3. Which leads to sexual intercourse
4. If you want to touch a woman, marry her (1 Corinthians 7:1-2)

Do NOT Have Anal Sex (1 Corinthians 6:16)

Described as "sodomy," "uncleaness," "filthiness," & "that which is against nature" in the New Testament

The Dangers and Consequences Of Homosexuality

Oftentimes, homosexual men have sex with **heterosexual females**, and transmit their STD's to them. Who in turn transmit their STD's to **heterosexual males**. The lead pastor, associate pastors, elders, deacons & deaconesses and all church members, should be warned against the dangers and consequences of sexual immorality (having sex with anyone you are not married to).

"Gay and Bisexual Men's Health, Sexually Transmitted Diseases" - [cdc.gov](https://www.cdc.gov)

"Sexually Transmitted Diseases (STDs) have been rising among gay and bisexual men, with increases in syphilis being seen across the country. **In 2014, gay, bisexual, and other men who have sex with men accounted for 83% of primary and secondary syphilis cases where sex of sex partner was known in the United States.**"

"CDC recommends sexually active gay and bisexual men test for:

- HIV (at least once a year);
- Syphilis;
- Hepatitis B;
- Hepatitis C if you were born between 1945 to 1965 or with risk behaviors (see "how is hepatitis C spread");
- Chlamydia and gonorrhea of the rectum if you've had receptive anal sex or been a "bottom" in the past year;
- Chlamydia and gonorrhea of the penis (urethra) if you have had insertive anal sex (been on the "top") or received oral sex in the past year; and
- Gonorrhea of the throat if you've given oral sex (your mouth on your partner's penis, vagina, or anus) in the past year."

"Health Issues For Men Who Have Sex With Men" - [mayoclinic.org](https://www.mayoclinic.org)

"Protect yourself from sexually transmitted infections"

"Men who have sex with men are at increased risk of contracting HIV, the virus that causes AIDS, as well as other sexually transmitted infections. To protect yourself from sexually transmitted infections:

- Use a condom or other protection.
- Be monogamous.
- Limit the amount of alcohol you drink, and don't use drugs.
- Get vaccinated.
- Get tested and have your partner tested.
- Pre-exposure prophylaxis (PrEP)."

"Tackle depression"

"Gay men and men who have sex with men might be at higher risk of depression and anxiety."

"Address body image concerns"

"Gay men are more likely to experience body image problems and eating disorders, such as anorexia and bulimia nervosa, than are their straight counterparts."

"Seek help for substance abuse"

"In the U.S., gay men are more likely to smoke than are heterosexual men and gay men are more likely to deal with alcoholism than is the general population."

"Recognize domestic violence"

"Domestic violence can affect anyone in an intimate relationship. Gay men might be more likely to stay silent about this kind of violence due to fear of discrimination and a lack of facilities designed to accommodate them."

"Make routine health care a priority"

"Don't let fear of homophobia or the stigma associated with homosexuality prevent you from seeking routine health care. Instead, take charge of your health."

"How Risky Is Anal Sex? A Gynecologist Explains" - health.com

"Rectal gonorrhea, anal chlamydia, and HIV are all real risks. According to the United States Centers for Disease Control and Prevention, "anal sex is the highest-risk sexual behavior for HIV infections." But anal sex is perhaps most likely to transmit the human papillomavirus (HPV). "Very few heterosexual men have HIV, but over half of men have HPV," says Dr. Streicher. HPV can cause anal warts and anal cancer."

"Use protection no matter what, says Dr. Streicher. "As a gynecologist, I tell people even if you are in a monogamous relationship, you should always use a condom for anal sex." And if you have vaginal sex after anal, have your partner put on a new condom to protect against the likelihood of a urinary tract infection."

"LGBT Faces a Variety of Serious Health Problems" - healthline.com

"Bisexuals do have the highest health risks, said Henning-Smith."

"Gay men can suffer from little-discussed health issues too, such as eating disorders fueled by body image."

"According to studies, gay men were seven times more likely to report bingeing and 12 times more likely to report purging than heterosexual men."

"Transgender college students are five times more likely to have an eating disorder than their peers."

"Negative Health Consequences of Same-Sex Sexual Behavior" - cnda.org

"The health effects of same-sex sexual behavior are many. The public, government, and judiciary are being lead to believe that same-sex sexuality is a normal variant with interactions and results equivalent to heterosexual sexuality. However, this position runs contrary to professional literature and the track record of history."

"GLBT-oriented men and Women may not choose their attractions, but, short of force, they do choose their sex partners. From a national health perspective, the issue is not the origins of homosexual or GLBT orientation, but the consequences of engaging in such sexual activity."

Reduced Life Expectancy

"Dr. J. Satinover documents that homosexuals lose twenty-five to thirty years of their lifespan. Gonorrhea, chlamydia, syphilis, herpes, HIV/AIDS, other sexually transmitted infections, enteric infections and disease, cancers, alcoholism, suicide, and numerous other causes are listed."

"A 1997 Canadian study published in the International Journal of Epidemiology noted that in urban gay areas, homosexual men had a life expectancy comparable to that in Canada in the 1870s. The researchers concluded, "In a major Canadian centre, life expectancy at age 20 years for gay and bisexual men is 8 to 20 years less than for all men."12

"Sexually Transmitted Infections/Diseases" (STIs or STDs)

The CDC also warns on their Viral Hepatitis Scientific Information - Populations at Risk web page, "Men who have sex with men (MSM) are at elevated risk for certain sexually transmitted diseases (STDs), including Hepatitis A, Hepatitis B, HIV/AIDS, syphilis, gonorrhea, and Chlamydia . . . Approximately 15%–25% of all new Hepatitis B virus (HBV) infections in the United States are among MSM."15

Cancer

A 2011 study published in the journal Cancer found gay men demonstrating 1.9 times the odds of reporting a cancer than heterosexual men, while ". . .lesbian and bisexual female cancer survivors had 2.0 and 2.3× the odds of reporting fair or poor health compared with heterosexual female cancer survivors."

"The American Cancer Society's web page Cancer Facts for Gay and Bisexual Men specifies that gay men are at increased risk for lung, testicular, colon, and anal cancers.²¹ Their web page Cancer Facts for Lesbians and Bisexual Women indicates this population finds an increased risk of breast, lung, colon, ovarian, and endometrial cancers."

"The Gay & Lesbian Medical Association (GLMA) web site features the page Ten Things Lesbians Should discuss with Their Healthcare Provider, which states the following: "Lesbians have the richest concentration of risk factors for breast cancer than any subset of

Women in the world." And "Lesbians have higher risks for many of the gynecologic cancers."

Mental Health

"The Netherlands Mental Health Survey and Incidence Study (NEMESIS) asserted, "people with same-sex sexual behavior are at greater risk for psychiatric disorders." Mood disorders, anxiety, having more than one psychiatric diagnosis, and substance use disorders were specified."

Domestic Violence

"Domestic violence is higher in same-sex relationships."

Youth At Risk

"The CDC reported on June 6, 2011 the findings of the 2001-2009 Youth Risk Behavior Surveys, which revealed, "gay or lesbian students had higher rates for seven of the 10 health risk categories (behaviors that contribute to violence, behaviors related to attempted suicide, tobacco use, alcohol use, other drug use, sexual behaviors, and weight management)."

Sexual Immorality Will Keep You Out Of God's Kingdom

Such Will Not Inherit The Kingdom Of God

Galatians 5:19-21 Now the works of the flesh are manifest, which are these; Adultery, fornication, uncleanness, lasciviousness, Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, Envyings, murders, drunkenness, revellings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God.

Do Not Keep Company With Any Called Brother

1 Corinthians 5:9-11 ¶ I wrote unto you in an epistle not to company with fornicators: Yet not altogether with the fornicators of this world, or with the covetous, or extortioners, or with idolaters; for then must ye needs go out of the world. But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such an one no not to eat.

Such Shall Not Inherit The Kingdom Of God.

1 Corinthians 6:9-10 ¶ Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

Such Has No Inheritance In The Kingdom Of Christ.

Ephesians 5:3-7 ¶ But fornication, and all uncleanness, or covetousness, let it not be once named among you, as becometh saints; Neither filthiness, nor foolish talking, nor jesting, which are not convenient: but rather giving of thanks. For this ye know, that no whoremonger, nor unclean person, nor covetous man, who is an idolater, hath any inheritance in the kingdom of Christ and of God. Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. Be not ye therefore partakers with them.

"Unrepentant Salvation" Is Contrary To Sound Doctrine.

1 Timothy 1:9-10 Knowing this, that the law is not made for a righteous man, but for the lawless and disobedient, for the ungodly and for sinners, for unholy and profane, for murderers of fathers and murderers of mothers, for manslayers, For whoremongers, for them that defile themselves with mankind, for menstealers, for liars, for perjured persons, and if there be any other thing that is contrary to sound doctrine;

Does your church's doctrine permit murder, fornication, engaging in sodomy, kidnapping, & lying, and teach that unrepentant "Christians" that continue doing these things will be inside the kingdom of God? If so:

1. Your church's "gospel" is cursed (Galatians 1:7-8).
2. Your church is teaching doctrines of devils (1 Timothy 4:1).
3. Anyone teaching an "Unrepentant Sinful Salvation" is a false prophet (Revelation 19:20).
4. "Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you" (2 Corinthians 6:17).

Lest You Be Found Living In Sin In The Hour Of Your Death.

Hebrews 12:15-17 Looking diligently lest any man fail of the grace of God; lest any root of bitterness springing up trouble you, and thereby many be defiled; Lest there be any fornicator, or profane person, as Esau, who for one morsel of meat sold his birthright. For ye know how that afterward, when he would have inherited the blessing, he was rejected: for he found no place of repentance, though he sought it carefully with tears.

God Will Judge Whoremongers And Adulterers.

Hebrews 13:4 Marriage is honourable in all, and the bed undefiled: but whoremongers and adulterers God will judge.

Whoremongers Have Their Part In The Lake Of Fire.

Revelation 21:8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

Such Will Be Outside The New Jerusalem.

Revelation 22:15 For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.

What Must I Do To Be Saved?

"Which Sins Will Blot Your Name Out Of The Book Of Life? & What Can I Do To Be Saved?"

Before Being Saved, Most WERE Sexual Immoral Persons.

1 Corinthians 6:11 AND SUCH WERE SOME OF YOU: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.

Acts 2:38 Then Peter said unto them, repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.

Acts 3:19 repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the lord;

Acts 8:22 repent therefore of this thy wickedness, and pray God, if perhaps the thought of thine heart may be forgiven thee.

Acts 17:30 and the times of this ignorance God winked at; but now commandeth all men every where to repent:

Acts 26:20 But shewed first unto them of Damascus, and at Jerusalem, and throughout all the coasts of Judaea, and then to the Gentiles, that they should repent and turn to God, and do works meet for repentance.
